SAVAN GROUP RECEIVES 8(A) CERTIFICATION FROM SMALL BUSINESS ADMINISTRATION

Alexandria, VA, March 11, 2008 - The U.S. Small Business Administration (SBA) announced that the Savan Group, a leading strategy, transformation, and business improvement consulting firm, has been certified as a participant in its 8(a) Business Development program for a nine-year period.

The certification will allow Savan Group to receive business development assistance and to bid on contracts that are specifically for SBA 8(a) participants. The Savan Group plans to work closely with the SBA, firmly establishing itself in the federal market and continuing to develop excellent long-term business relationships by helping its customers achieve solutions.

"Receiving 8(a) certification from the SBA program is an honor and helps our firm reach new clients in an already viable federal market. We are extremely grateful to the SBA for allowing us to participate in the program," said Veeral Majmudar, President and Founder of the Savan Group.

In addition to 8(a) contacts, the Savan Group plans to continue to offer its services to private sector clients.

The SBA 8(a) Business Development program helps minority and other disadvantaged businesses grow by offering them business development support. Furthermore, participants can conduct limited competitive business with other SBA 8(a) companies.
