SAVAN GROUP AWARDED GSA MOBIS SCHEDULE

Alexandria, Virginia, April 23, 2009 – Savan Group LLC, a leading public–sector strategy and IT consulting firm, announced today that it has been awarded a five-year Mission Oriented Business Integrated Services (MOBIS) Schedule Contract by the General Services Administration (GSA). Savan Group's GSA Schedule Contract Number GS-10F-0156V enables Savan Group to offer federal government consumers a long-term streamlined vehicle with which to procure Savan Group's management and consulting services.

The MOBIS schedule offers a wide array of management and consulting services to help federal agencies improve performance and meet their mission goals. To obtain this award, Savan Group underwent a rigorous evaluation of their capabilities, performance history, and customer satisfaction to meet GSA's strict criteria for superior quality of service and competitive pricing.

The GSA Schedule Contract focuses on the company's core competencies which fall under Special Item Numbers (SINs) 874-1/874-1(RC) Consulting Services. Savan Group's specialized services include strategy and management, information technology advisory, logistics and asset management, business rules development, knowledge and decision management, performance assessment and improvement, and program support.

“The GSA MOBIS schedule, in addition to our 8(a) status, offers yet another option for our clients to procure our dynamic service offerings,” said Veeral Majmudar, President of Savan Group. “Many federal agencies utilize the GSA MOBIS Schedule as a suitable means to procure high-quality consulting services, so inclusion on the MOBIS Schedule was particularly important to not only better serve our current federal customers, but to expand Savan Group's presence within the federal government. Savan Group's price list will be available through the GSA Advantage! website.
