

The Savan Group is a SBA 8(a) certified management and information technology consultancy founded on the idea of value-based consulting. Value-based consulting is driven by strategy, tactics, and results. It operates within the unique strategic, operational and political setting of each client organization.

Value-based consulting focuses on:

- › Strategic value drivers
- › Results, rather than tasks
- › Performance and capabilities
- › Dynamic, flexible consulting and change processes
- › Client involvement, commitment and ownership
- › Organizational empowerment
